

Logitech Master Series MX Master 3S(910-006559)

Logitech Master Series MX Master 3S - Mouse - ergonomic - optical - 7 buttons - wireless - Bluetooth, 2.4 GHz - Logitech Logi Bolt USB receiver - graphite

Meet MX Master 3S - an iconic mouse remastered. Feel every moment of your workflow with even more precision, tactility, and performance, thanks to quiet clicks and an 8,000 DPI track-on-glass sensor.

Work comfortably with an ergonomic silhouette crafted to support your palm and fingers. Textured surfaces provide a confident grip for total control. The unique tilt angle of MX Master 3S positions your arm in a more natural posture for better comfort. Optimally placed thumb controls are positioned for quick, intuitive access and fast navigation. The side scroll wheel follows the natural movement of the thumb for fluid and intuitive horizontal navigation.

Key Selling Points

- An icon, remastered
- Feel IT - barely hear IT
- 8K DPI any-surface tracking
- Scroll 1,000 lines per second
- Charge quickly, connect instantly
- Hand sculpted, all day comfort

Product Features

An icon, remastered

Meet MX Master 3S - an iconic mouse remastered. Feel every moment of your workflow with even more precision, tactility, and performance, thanks to quiet clicks and an 8,000 DPI track-on-glass sensor.

Feel IT - barely hear IT

Quiet Clicks deliver satisfying, soft tactile feedback with 90% less click noise. Add that to a remarkably quiet MagSpeed electromagnetic scroll wheel for a high-performance experience with zero distraction.

8K DPI any-surface tracking

MX Master 3S is outfitted with the accurate sensor ever, with next-gen precision and responsiveness. The 8,000 DPI optical sensor tracks virtually anywhere - even on glass. You can adjust your tracking sensitivity in Logi Options+ and set the right level for your workflow and monitor resolution.

Scroll 1,000 lines per second

MagSpeed electromagnetic scrolling is precise enough to stop on a pixel and quick enough to scroll 1,000 lines per second. Oh, and it's nearly silent. The wheel's machined steel gives it a premium tactility and enough weight to offer a dynamic inertia you feel - but don't hear.

Charge quickly, connect instantly

MX Master 3S stays powered for many days on a full charge - and gets three hours of use from a one-minute quick charge. MX Master 3S is compatible with all major operating systems right out of the box such as Windows, macOS, Chrome OS or Linux.

Hand sculpted, all day comfort

Work comfortably with an ergonomic silhouette crafted to support your palm and fingers. Textured surfaces provide a confident grip for total control. The unique tilt angle of MX Master 3S positions your arm in a more natural posture for better comfort. Optimally placed thumb controls are positioned for quick, intuitive access and fast navigation. The side scroll wheel follows the natural movement of the thumb for fluid and intuitive horizontal navigation.

Main Specifications

Product Description	Logitech Master Series MX Master 3S - mouse - Bluetooth, 2.4 GHz - graphite
Device Type	Mouse - ergonomic
Connectivity Technology	Wireless - Bluetooth, 2.4 GHz
Colour	Graphite
Dimensions (WxDxH)	8.43 cm x 12.49 cm x 5.1 cm
Weight	141 g

Wireless Receiver	Logitech Logi Bolt USB receiver
Movement Detection Technology	Optical
Buttons Qty	7
Movement Resolution	8000 dpi
Performance	Realtime sensitivity switching 200 - 8000 dpi
Features	Logitech Darkfield Laser Tracking, Easy-Switch technology, gesture function, rechargeable battery, thumb rest, MagSpeed wheel, customisable DPI, thumb wheel, Quiet Clicks technology
OS Required	Linux, Google Chrome OS, Android 8.0 (Oreo) or later, Apple macOS 10.15 or later, Apple iPadOS 14 or later, Windows 10 / 11 or later
Product Recycled Content	27 % - made of recycled post-consumer plastic
Manufacturer Warranty	2-year warranty

Extended Specification

General

Device Type	Mouse
Wireless Receiver	Logitech Logi Bolt USB receiver
Ergonomic Design	Yes
Width	8.43 cm
Depth	12.49 cm
Height	5.1 cm
Weight	141 g
Product Material	Plastic, CNC machined steel
Colour	Graphite

Expansion / Connectivity

Interfaces	1 x USB - 4 pin USB Type A
------------	----------------------------

Manufacturer Warranty

Service & Support	Limited warranty - 2 years
-------------------	----------------------------

Miscellaneous

Included Accessories	USB-C charging cable
----------------------	----------------------

Software / System Requirements

OS Required	Linux, Google Chrome OS, Android 8.0 (Oreo) or later, Apple macOS 10.15 or later, Apple iPadOS 14 or later, Windows 10 / 11 or later
-------------	--

Battery

Technology	Lithium polymer
Capacity	500 mAh
Run Time (Up To)	70 days

Input Device

Connectivity Technology	Wireless
Interface	Bluetooth, 2.4 GHz
Max Operating Distance	Up to 10 m
Movement Detection Technology	Optical
Buttons Qty	7
Movement Resolution	8000 dpi

Performance	Realtime sensitivity switching 200 - 8000 dpi
Features	Logitech Darkfield Laser Tracking, Easy-Switch technology, gesture function, rechargeable battery, thumb rest, MagSpeed wheel, customisable DPI, thumb wheel, Quiet Clicks technology
