EPOS IMPACT 1060T ANC(1001136)
EPOS IMPACT 1060T ANC Duo Bluetooth headset with ANC. MS Teams

Double-sided Bluetooth headset for the New Open Office. Combining EPOS BrainAdapt technology to reduce brain fatigue with industry-leading voice pickup powered by EPOS AI and adaptive ANC to make sure you're getting your message through.

Key Selling Points

Industry-leading voice pickup for focused conversations
Protect your brain in the open office
A new market standard for open office headsets
Stay comfortable throughout the day
Experience true convenience
Adaptive microphone technology powered by EPOS AI makes sure you're getting your message through.
Hybrid adaptive ANC effectively shuts down noise and helps your brain focus - even in busy open office environments.
Experience a superior headset with super wideband and stereo sound. Meets Microsoft Teams Open Office requirements.
Lightweight design, soft breathable cushions, and headband padding allow for all-day wearing comfort in the open office.
Smart features make using the headset truly intuitive and hassle-free.

Product Features

Superior EPOS sound

Super wideband audio and stereo sound deliver clear speech in noisy open offices

EPOS BrainAdapt™ technology

Better focus for both sides via ANC, EPOS AI™, and industry-leading voice pick-up

Adaptive digital microphones

Adaptive microphone technology delivers industry-leading voice pickup

Triple connectivity

Stay connected wirelessly with up to three devices at the same time

TalkThrough

Communicate easily with in-office colleagues without removing the headset

360-degree busylight

Intuitive busylight clearly signals when you're on call and not to be disturbed

Contactless charging stand

Charge your headset easily without the hassle of wires and plugs

Smart features

Initiate, end, and mute calls by moving the boom arm or taking the headset on/off

Convenient carry pouch

Lets you easily carry the headset between your work and home office

IMPACT 1060T ANC

Double-sided ANC Bluetooth headset

Industry-leading voice pickup for focused conversations

Adaptive microphone technology powered by EPOS AI™ makes sure you're getting your message through.

Protect your brain in the open office

Hybrid adaptive ANC effectively shuts down noise and helps your brain focus - even in busy open office environments.

A new market standard for open office headsets

Experience a superior headset with super wideband and stereo sound. Meets Microsoft Teams Open Office requirements.
