Dell EcoLoop Pro Classic Briefcase (CC5425C) - Notebook carrying case - up to 14" - black

Dell EcoLoop briefcase features durable anti-scratch nylex lining, multi-compartment design and is water- and dirt-resistant.

Key Selling Points

Shop the Dell EcoLoop Briefcase with durable anti-scratch nylex lining, multi-compartment design, water & dirt resistant.

Product Features

Designed with the environment in mind

The Dell EcoLoop label identifies products that are manufactured with select materials and/or processes that help reduce their environmental impact.

Expandable front compartment

Arrange accessories in the zippered, expandable compartment using the built-in storage organizers. A quick access zippered front pocket is convenient for storing smaller essentials and accessing them quickly when needed.

Spacious main compartment

Conveniently store larger files and accessories in the spacious, zippered main compartment. A dedicated, padded tablet sleeve keeps your tech safe.

Rear laptop compartment

Safely store and protect your tech in the padded, rear zippered compartment of the briefcase.

Safeguard your essentials

360° foam cushioning with anti-scratch nylex lining surrounds the dedicated laptop compartment while EVA+ foam cushioning on the back-panel offers shock resistance for ultimate on-the-go protection.

Be seen

Enjoy a safe commute with reflective accents on either side of the bag for increased visibility during low light hours.

Long-lasting durability

The carrying case is put through rigorous quality tests, including water resistance, strap and zipper strength and fabric abrasion, proving sturdiness and long-lasting durability for the protection of your belongings. Made from a heavy-duty fabric that's water and dirt resistant, this briefcase is easy to maintain with wipe-clean bottom coating and keeps your items inside dry and well protected.

Carry with ease

Go hands-free with the shoulder strap or detach it and use the convenient grab handles or the travel-friendly trolley strap.
