

Logitech G G335 Wired Gaming Headset(981-000978)

Logitech G G335 Wired Gaming Headset - Headset - full size - wired - 3.5 mm jack - black - Discord Certified

Take your gaming to an advanced level with Logitech G335 Wired Gaming Headset. These gaming headphones are lightweight and use a suspension headband design to help distribute weight and relieve pressure points. The elastic headband is adjustable and reversible for a customized look and fit. Soft memory foam ear cups and sports mesh material allow for long-lasting comfort, so you don't have to pause the game. G335 is easy to set up. Simply plug into your game with the 3.5mm audio jack directly into your PC, laptop, gaming console/controller, or mobile device. The G335 gaming headset with mic is a versatile gaming companion. Easily control the volume or adjust the microphone to fit all of your gaming needs.

Key Selling Points

- Lightweight design
- All-day comfort
- Plug-and-Play
- Headset controls
- Impressive sound
- Compatible with PC and console

Product Features

Lightweight design

G335 is smaller and lighter and features a suspension headband to help distribute weight and is adjustable for a customized fit.

All-day comfort

Soft memory foam ear pads and sports mesh material are comfortable for extended use so you can take your gaming to an advanced level in style and comfort.

Plug-and-Play

Quickly jump into your game and simply connect with the 3.5mm audio jack. These colorful headphones are compatible with PC, laptop, gaming consoles, and mobile devices.

Headset controls

The volume roller is located directly on the ear cup to quickly turn up your game or music, while the mic can be easily flipped up to mute and move it out of the way.

Impressive sound

With 40mm neodymium drivers, the G335 computer gaming headset delivers crisp, clear stereo sound that makes your game come alive.

Compatible with PC and console

This gaming headset with microphone is compatible with PlayStation 5, PlayStation 4, Xbox One, Xbox Series X/S, and Nintendo Switch with 3.5mm audio connection.
