

## Targus(AMW584GL)

**Targus - Mouse - ergonomic - antimicrobial - right-handed - 7 buttons - wireless - 2.4 GHz - USB wireless receiver - black**

Targus Ergo Wireless Mouse infused with Antimicrobial Protection helps reduce wrist strain with a comfortable ergo design, whilst delivering remarkable tracking on virtually any surface including wood, granite, and carpet.

## Key Selling Points

DefenseGuard Antimicrobial Protection is infused into the product for a cleaner surface, it eliminates and prevents the growth of  
Matte finish with chrome accents and soft-touch coating  
Titled ergo-design for right-hand use mimics natural wrist alignment  
Blue Trace sensor with customizable 1600 DPI works on virtually all surfaces including glass

## Product Features

### DefenseGuard Antimicrobial Protection

A continuous cleaning innovation designed to prevent and eliminate the growth of bacteria. It delivers a durable, cleaner surface. Proven to protect against germs it won't wear off or wash off, it is designed for life. BPR and EPA compliant, silver antimicrobial agents have been infused into Targus DefenseGuard products for all-around protection, neutralizing bacterial threats to your product for its lifetime.

### Ergo-comfort

An ergo-fit for the palm of your hand, the mouse hits all the right spots, its tilted design mimicking your natural wrist alignment and reducing wrist strain. The mouse weight and soft-touch finish are marks of its quality and endurance.

### Multi-functions

Plug and play set up, the USB-A receiver connects into host device for wireless connectivity. Personalize up to seven controls available to you, including built-in Windows Start Menu shortcut, zoom, and scroll.
