

## HP 235 Wireless Mouse and Keyboard Combo QWERTY(1Y4D0UT#ABB)

**HP 235 - Keyboard and mouse set - 3-zone layout, low profile key travel - full size - wireless - 2.4 GHz - QWERTY - English - black - Smart Buy**

The HP 235 keyboard and mouse set offers a seamless way to enhance productivity at home or in the office. Designed for compatibility with PC systems, this wireless set eliminates the hassle of tangled cords, allowing for a clean and organized workspace. The combination of the keyboard and mouse allows for a comprehensive input experience, making it suitable for a variety of tasks, from typing documents to navigating software applications.

With wireless connectivity technology, users can enjoy the freedom of movement without being restricted by cables. The HP 235 set is ideal for those seeking convenient features and functionality in their computing setup. This keyboard and mouse combo delivers reliable performance and is an essential addition to any PC workstation.

### Key Selling Points

- Compatible with PC systems
- Wireless connectivity for a clutter-free workspace
- Includes both a keyboard and a mouse
- Enhances productivity in home or office settings
- Reliable performance for various tasks

### Product Features

#### Efficient wireless technology

Eliminates the need for cords, providing a clean and organized workspace while allowing unrestricted movement during use.

#### Comprehensive input solution

Incorporates both a keyboard and a mouse, ensuring versatility and enhancing the overall user experience for various computing needs.
