

Lenovo Go(4Y51C33792)

Lenovo Go - Mouse - ergonomic - blue optical - 6 buttons - wireless - 2.4 GHz - USB wireless receiver - storm grey with natural cork - retail

Designed to complement the lifestyle of Ultrabook users, the Lenovo Go USB-C wireless mouse is crafted for superior portability and comfort. With blue optical sensor that works on most surfaces and USB-C connectivity, it is ready to thrive in a dynamic workplace. Its ultra-long battery life and programmable utility button ensure it is capable of any task and ready to be used at a moment's notice.

Key Selling Points

- Compact ambidextrous design
- Ergonomic design with Villi painted grip
- Blue optical sensor, tracks on most surfaces
- Silent left/right keys with 2-way scroll wheel (up/down)
- 800-1600-2400 adjustable DPI
- Wireless connection via USB-C dongle
- Supports Lenovo unified pairing receiver
- Rechargeable
- Programmable "utility button" on the side
- Default functions optimized for Teams calls

Product Features

Durable performance

Designed to withstand extensive use, this mouse features a performance rating of 3 million clicks for both the left/right buttons and the scroll click, ensuring reliability in everyday tasks.

Ergonomic design

The ergonomic shape of the Lenovo Go mouse allows for comfortable gripping during prolonged usage, enhancing productivity without causing strain on the hand.

Precise movement

Equipped with blue optical technology and a movement resolution of 2400 DPI, this mouse delivers accurate tracking and responsiveness, perfect for both casual browsing and professional tasks.

Flexible connectivity

Utilizing a 2.4 GHz wireless interface with a USB receiver, the Lenovo Go mouse offers connectivity options that help maintain a clean and organized workspace.

Environmentally adaptable

This mouse is designed to perform across a wide range of environmental conditions, operating efficiently from 0°C to 40°C and withstanding humidity levels between 20% and 95%.
