Product Features

Full keyboard, compact design

Type in comfort with the ultra-slim and compact Surface Pro Keyboard.

Performs like a traditional laptop keyboard

Surface Pro Keyboard is built with the best of Microsoft technology, including a full mechanical keyset, backlit keys, optimum spacing for fast, fluid typing, and a large trackpad for precise control and navigation. Take it anywhere for a premium laptop experience on the go.

Adjusts instantly

Work your way anywhere. Surface Pro Keyboard is uniquely designed to adjust to virtually any angle. Simply click into place and use three different ways: with Surface Pro X Kickstand open as a laptop, folded back for a tablet, and closed to shield the display and conserve battery life.

Built to last

Surface Pro Keyboard goes beyond traditional keyboards to add a comfortable touch to everyday tasks. It features a smooth feel and a durable, stain-resistant material that easily wipes clean for a premium typing experience like no other.
