

OtterBox Symmetry MagSafe Apple iPhone 15 Plus/iPhone 14 Plus - black(77-92866)
OtterBox Symmetry MagSafe Apple iPhone 15 Plus/iPhone 14 Plus - black

Discover the perfect blend of style and protection with the OtterBox Symmetry Series case. Designed specifically for cell phones, this protective cover is crafted from a combination of polycarbonate, silver phosphate glass, and synthetic rubber to offer robust protection against drops, bumps, and shocks. Its ultraslim design, complemented by built-in magnets, makes it MagSafe compatible, allowing you to effortlessly attach a variety of accessories. The case also features antimicrobial technology to keep your device clean, while its raised and reinforced edges provide additional security against accidental falls. With 50% of its material made from recycled plastic, the OtterBox Symmetry Series case is not only durable but also environmentally friendly. Whether you're looking for reliable protection or a stylish accessory, this case has you covered.

Key Selling Points

- MagSafe compatibility for seamless accessory integration
- Antimicrobial technology keeps your device hygienic
- 50% recycled plastic content, supporting environmental sustainability
- Compliant with MIL-STD-810G 516.6 for durability
- 5G compatibility ensures your cell phone stays connected at high speeds

Product Features

Innovative protection

Experience peace of mind with the OtterBox Symmetry Series case, designed to offer protection for your cell phone. With features like bump protection, drop protection, and a shock-absorbent material, this case is engineered to withstand daily use while keeping your device safe.

Sleek design

The ultraslim design of the OtterBox Symmetry Series case not only offers protection but also enhances the aesthetic appeal of your cell phone. Crafted from high-quality materials such as polycarbonate, silver phosphate glass, and synthetic rubber, this one-piece design is both stylish and functional.

Advanced features

Equipped with built-in magnets, the OtterBox Symmetry Series case is MagSafe compatible, allowing for seamless integration with a variety of accessories. Additionally, the case boasts antimicrobial technology, ensuring your device remains hygienic, and is designed with raised and reinforced edges for extra protection against drops and bumps.
