

OtterBox Symmetry Apple iPhone 15/iPhone 14/iPhone 13 - black(77-92636)

OtterBox Symmetry Apple iPhone 15/iPhone 14/iPhone 13 - black

Discover the perfect blend of style and protection with the OtterBox Symmetry Series case for your cell phone. Designed to accentuate the sleekness of your device, this case offers a slim profile that easily slips into your pocket while providing robust protection against drops and impacts, thanks to its compliance with MIL-STD-810G 516.6 standards. Enjoy the convenience of wireless charging without removing the case and stay connected with 5G compatibility. The raised edges ensure your screen and camera are safe from scratches and impacts. Moreover, this case is environmentally friendly, made of 50% recycled plastic, making it a choice you can feel good about. Embrace a seamless blend of style, protection, and sustainability with the OtterBox Symmetry Series case.

Key Selling Points

- 5G compatibility ensures optimal network performance
- Raised edges for enhanced screen and camera protection
- Supports wireless charging for convenience
- Made of 50% recycled plastic, promoting environmental sustainability
- MagSafe compatibility for easy attachment of accessories

Product Features

Slim and sleek design

The OtterBox Symmetry Series case offers an ultraslim and sleek design that enhances the aesthetic of your cell phone without adding bulk. Its precision engineering ensures a snug fit, maintaining the device's sleek profile while offering robust protection.

Advanced protection

Engineered to meet MIL-STD-810G 516.6 standards, this protective cover offers drop+ protection, safeguarding your cell phone from accidental drops and impacts. The raised edges provide additional screen and camera protection, ensuring your device remains in pristine condition.

Wireless convenience

Designed with modern needs in mind, the OtterBox Symmetry Series case supports wireless charging, allowing you to charge your device without removing the case. Its 5G compatibility ensures you get the best network performance without interference.
